## Goodwill Gears Up To Accept Holiday Donations!

**Cincinnati, OH · December 29, 2008** · In anticipation of the annual year-end donation frenzy that Ohio Valley Goodwill and its network of 15 stores and 12 independent donation centers typically experience on New Year's Eve, the organization is gearing up to make sure that dropping off of year-end donations is as easy and convenient as possible. Extra staff will be on duty at all Goodwill store locations and donation sites. Donations can be accepted until 7:00 pm in its network of 15 stores. Donation centers are open regular hours as posted on Goodwill's website, [www.cincinnati-goodwill.org](http://www.cincinnati-goodwill.org) but extra attendants on duty will help to insure that making your donation is easy and quick.

***"We usually have several thousand cars that come through our donation sites on New Year's Eve," said Eric Scott, Attended Donation Site Supervisor. "We do everything we can to make sure that our generous donors are able to drop off their donation quickly, get their receipt and go off to enjoy their holiday," added Scott.***

Donations of gently used items are **urgently needed** and gratefully accepted by Goodwill. Items donated then are sold in its stores in order to help fund its vocational training and job placement services for individuals with disabilities and our nation's veterans. For donation site hours, visit the organizational website at [www.cincinnati-goodwill.org](http://www.cincinnati-goodwill.org), and go to the link "I Want to Give."

Ohio Valley Goodwill thanks the community for their on-going support of its mission to put people to work!
