Dear Mr. Joseph Byrum:

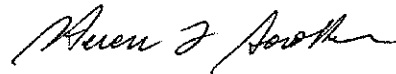

I am pleased to present to your agency the SourceAmerica™ Certificate of Achievement for 2014.

This certificate is presented in recognition of the high standards of performance you have maintained throughout the past year in providing a product/service for the Federal government under the Ability One® Program. We hope you will proudly display it in a prominent place.

In evaluating your Community Rehabilitation Program's eligibility for the award, SourceAmerica considered the following criteria: the length of time your Community Rehabilitation Program has had a product/service on the Procurement List; the consistent record of accurately fulfilling contracting requirements; the timely submission of reports and commissions; the adherence to Ability One regulations; and the Procurement Agency's overall evaluation of your contract performance. Your Community Rehabilitation Program has excelled in all of these areas.

This recognition symbolizes a "job well-done." Outstanding overall performance in the Ability One program proves that persons with significant disabilities can be productive, contributing members of society. Congratulations on your outstanding performance and best wishes for continued success.

Sincerely,

Steve Soroka  
President & Chief Executive Officer
