Industrial Services Division Holds Open House Event For Area Businesses

The Industrial Services division of Ohio Valley Goodwill Industries was pleased to welcome some of its business partners on Friday, October 29, with a luncheon Open House at the corporate headquarters in Woodlawn. The event was designed to acknowledge long standing business associations and to welcome new potential partners. During the program, guests were welcomed by Goodwill President and CEO, Joe Byrum who greeted the visitors, outlined Goodwill's mission, and presented an overview of the organization's multi-faceted programs and services. "We always appreciate having our business partners visit our facility and see first-hand how we provide real work experiences for the individuals with disabilities and homeless veterans that we serve," said Joe Byrum. "The contract work that our business partners provide for us is of utmost importance," added Byrum. The visitors had the opportunity to take an extended tour of the Goodwill facility during which time they were able to see the workings of the contract services area where much of the work they provide to Goodwill is coordinated. This is the second year that the Industrial Services division has presented an open house event for its business partners.

During the elaborate buffet luncheon which was provided by Goodwill's food service training program, several companies were recognized and thanked for their long-standing service

Goodwill Opens Newly Enlarged Loveland Retail Store and Donation Drive-Thru

Ohio Valley Goodwill was delighted to welcome excited shoppers back to its newly re-designed and remodeled Loveland store location for a Grand Re-Opening event on Wednesday, August 4, 2010. The expanded retail location had been under a complete remodel throughout

the summer months and Goodwill was thrilled to show-off the new look with a Grand Opening celebration. A formal ribbon-cutting ceremony took place prior to the doors opening, featuring representatives from the Loveland City Council, including Linda Cox and Mark Fitzgerald as well as Goodwill Board Chairman, Charlie Wright, and the organization's retail and management team members.

The newly re-designed Loveland store is now the largest of the Goodwill network of 16 retail locations in the Greater Cincinnati area and boasts hardwood floors, wider aisles for shopping ease, and all new display fixtures. In addition, the store expanded its sales floor significantly to accommodate a new large children's specialty area and

moved its donation area to improve donor convenience. "We re-designed the store to enhance the shopping and donating experience for our loyal customers," said Ann Walters, Retail Sales Manager.

Ohio Valley Goodwill looks forward to the positive impact that the newly renovated Loveland store will have in the Loveland business community as well as the opportunity to support its mission of people putting to work. "For almost 95 years, Ohio Valley Goodwill has been serving the Greater Cincinnati community," said Joe Byrum, President and CEO. "The proceeds from store sales and the generous donations from the community allow Goodwill to serve more than 2300 people with disabilities a year as well as our nation's veterans. We are grateful to the residents of Loveland as well as the larger community for their on-going support of Ohio Valley Goodwill," added Joe Byrum.

Ohio Valley Goodwill Hosts Legislative Breakfast

Ohio Valley Goodwill was pleased to welcome many of Ohio's representatives to its corporate headquarters on Friday, September 17th for the organization's 2010 Legislative Breakfast event. State Representatives, Senators and an aide from Congressman Steve Driehaus office attended the event which served as a means for the officials to talk with Goodwill's management team and a way to learn more about its mission and impact on the community. The honored guests enjoyed a lavish breakfast buffet prepared by Goodwill's Food Services staff and listened to the organization's team members as they described the various skill training and employment programs offered to individuals with disabilities and our nation's veterans. The lively conversation was followed

"Ohio Valley Goodwill was very happy to have the opportunity to welcome our elected representatives to visit the organization and learn more about the important mission of services as well as the economic impact that Goodwill provides in the Greater Cincinnati area," said Charlie Wright, Goodwill Board chairman and official host of the 2010 Legislative Breakfast event. Goodwill Staff Participate In Third Annual SWORA 5K “Stroll To Success”

On Saturday October 10, 2010, a group of Ohio Valley Goodwill Industries rehabilitation services staff participated in the third annual South Western Ohio Rehabilitation Association’s 5K “Stroll To Success” walk. Sunny skies greeted the walkers on the special event which was held in the Hamilton County Park District’s beautiful Glenwood Gardens in Woodlawn. The special event was developed by SWORA in an effort to generate funds for a scholarship that helps persons with disabilities with any needs they may have to better prepare them for the job market. Items that may be purchased through the scholarship include clothing, assistance with traveling to and from the workplace, and other needs that the individual may have. “We were so pleased with the response that we received for the event and the financial support that the walk has generated for services for men and women with disabilities,” said SWORA member, Nancy VanderWoude, Goodwill’s supervisor for the Office Procedures and Computer Technology training program. Because of her important position with the organization, Nancy knows first-hand about the needs of individuals with disabilities. “The scholarship fund helps many individuals with their needs that are a part of our training program. Preparing men and women for employment is so very important to their success,” said Nancy.

Ohio Valley Goodwill salutes the efforts of its staff in helping to make this special event such a success again this year. Congratulations to SWORA for coordinating another outstanding program!

Ohio Valley Goodwill Industries Coordinates Annual Fall Stand Down For Homeless Veterans

Sunny fall skies greeted dozens of veterans for the 9th Annual Northern Kentucky Stand Down on Friday, October 1st. The annual event for homeless veterans is held annually each fall at the Bellevue Veterans Club and is planned to draw attention to the needs of homeless veterans and to provide a variety of services for them. “We offer the Stand Down each year so that our veterans can have the opportunity to come together to receive service from a host of providers at one location,” said Mick Fusco, Goodwill’s Grants Manager. Ohio Valley Goodwill Industries is one of the major sponsors of the annual Stand Down. In addition to Goodwill Industries and the Bellevue Veterans Club other sponsors include, the Northern Kentucky One Stop and the Cincinnati Veterans Administration.

Throughout the day, services were available to veterans at the Stand Down which included: medical, dental, eye care, social services, employment, career opportunities, legal aid and expungement. Members of the Veterans Administration were also available for benefits counseling. The annual Stand Down is organized each year as a means to draw attention to the needs of homeless veterans and to provide services for them. “We are always so grateful to our sponsoring organizations for assisting us with this event because it helps to reach many veterans and it provides so many needed services,” said Fusco. Ohio Valley Goodwill Industries has been offering services for homeless veterans since the early 1990’s and has been active in the Northern Kentucky community for more than ten years.
